FLORALS FANTASTICA™

October 18-20, 2019, 9-5 each day, at the Sanford Garden Club

Florals Fantastica™ is a new annual fund-raising event for the Sanford Garden Club. It will include attractive **plant displays**, **floral artwork for sale**, special **plants for sale** (with an emphasis on those that are in bloom, unusual, or hard-to-find), and **floral beverages** such as *nam dok anchan* (Thai color-changing tea). A **plant raffle** will feature a number of free plants that will be awarded to attendees who use their ticket stubs to enter.

The admission fee for attending this event is \$5 per person. Admission tickets (purchased at the door) will be good for personal re-entry over the course of the event and for free plant raffles. *Attendees are encouraged to bring a camera or smartphone since they will want to take lots of pictures.*

We are now taking applications for **plant display** entries (fee of \$20). The main requirement is primary use of live plants (no artificial, silk or dried flowers, please). We encourage the use of almost any type of very attractive live plants (such as Bromeliads, Orchids, Succulents, Edible Plants, Native Plants, Tropicals, and others) with visually attractive presentations. You will have great flexibility in putting together a display and may use your own stands, tables, etc., if desired. The amount of space available for each display is flexible. Those creating plant displays (either organizations or individuals) will also have the option to include up to 50 special plants for sale (at \$20 and up) and will be able to include handouts with information on their organization. Setup will be on Oct. 17th from Noon to 6:00 PM.
