Meeting Information

The **Seminole Bromeliad & Tropical Plant Society** meets the third Sunday of the month at 2:00 PM at the Sanford Garden Club, 200 Fairmont Drive, Sanford, FL 32773 unless there is a special event or field trip. There is no regular meeting in April or August since the **Annual Spring and Fall Plant Sales** are held those months. The Sanford Garden Club is located at the corner of US Hwy. 17-92 and Fairmont Drive, one block south of Lake Mary Boulevard in Sanford. Meetings usually consist of a presentation on bromeliads or other tropical plants and include raffles and door prizes.

Annual dues for the current calendar year (if you join in October or later, the next year is included) are only \$15 for an individual membership or \$20 for a dual membership (two persons at the same address). You automatically become a member of the **Florida Council of Bromeliad Societies** (www.fcb.org) and the **Sanford Garden Club** (<https://www.sanfordgardenclub.com/>) when you join the **Seminole Bromeliad & Tropical Plant Society**. Members receive a monthly newsletter (including meeting announcements) by email as a PDF attachment.

We always welcome guests to attend our monthly meetings!
