February 2024 Newsletter

**Meeting Announcement:
Sunday, February 25th at 2 PM
McCrorry's Bromeliads, Eustis**

Our February meeting will be a field trip to
[McCrorry's Bromeliads](#).

We are taking a field trip to the nursery at the invitation of member Evan McCrorry. If you've ever gone to any of the many art or crafts festivals in Central Florida and have seen a booth with some of most spectacular Bromeliads in bloom, you've almost certainly seen McCrorry's booth. Their plants are real showstoppers with lots of Guzmanias, Vrieseas and Aechmeas in bloom and very colorful Neoregelias!

For this field trip, we can use our own cars since there is lots of parking available at the nursery. It is located 32 miles northwest of the Sanford Garden Club just north of Sorrento and not too far from Mt. Dora. Use [Google Maps](#) to find it. The formal address is 35152 La Place Ct, Eustis, FL 32736 although map programs seem to use 35152 La Pl Ct, Eustis, FL 32736. You may call (352) 357-9876 on Sunday if you encounter any difficulties in finding the nursery.

President's Message

January Meeting

We had 64 attendees for Alex Bello's presentation at the January meeting. Alex was quite happy with the interest shown by our members and also with his plant sales which turned out to be the highest sales we have heard about from any speaker to date. Our speakers have many good reasons to enjoy visiting with us!
